

CONTRACTOR LIST

This is a list of contractors who have installed backwater valves inside dwellings under the current Backwater Valve Grant Program, Grant Nos. 1-203. This list is arranged by the number of installations and alphabetically where the same number of valves has been installed. This is intended to assist applicants in choosing a contractor, and is not a recommendation by the Department. All contractors should be made aware of the "REQUIREMENTS FOR AN ACCEPTABLE BACKWATER VALVE INSTALLATION" which is available from the Department of Water and Water Supply.
